Verse: “..Happy are the people whose God is the Lord..” Psalm 144:15

Where did St. Hilaria live?

What is the name of her sister?

What did her father do for a living?

St. Hilaria disappeared when she was a young lady...Where did she go?

What did her father assume happened to her?

Why did she disguise?

Where did she go?

God revealed a secret to Abba Pemoh..What was this secret?

How did Theopesta meet with her sister?

When do we celebrate St. Hilaria's feast in the Coptic Church?
