GOD CARED FOR DANIEL WHEN HE FASTED

Bible Reference: Daniel 1:1-20

Verse: "..Give us vegetables to eat and water to drink. Then let our appearance be examined before you.." Daniel 1:12-13

Please answer in your own words...

How did Daniel and his friends end up in Babylon?

What were the names of his three friends?

What were they selected for?

Whose food and drink were they supposed to eat and drink from?

Why did they eat vegetables, beans and drank water and refused to eat meat and drink wine and juices?

How do you compare their food with our fasting food?

Did God take care of them and give them favor with the officer?

Did he accept their request? Did that affect them? Good or bad?

For how many years did they do that?

How many days do we fast? Is that longer than they did?

When the king examined them, how many times better than their classmates did he find them?

What extra knowledge did God give Daniel?

Where did he live since that time?

Did he live a short life?

What did he prophesy and tell the future about?
