JESUS HEALS THE CANAANITE WOMAN'S DAUGHTER

Bible Reference: Mathew 15

Verse: “..Then Jesus answered her: O woman, great is your faith..” Matthew 15:28

Please answer in your own words...

Who remembers some miracles of healing that Jesus performed?

What would you do if one of your relatives is sick?

Where was the woman from?

What did her daughter suffer from?

What did she say?

Did Jesus respond to her request or He waited a little bit?

Why did He wait a little bit..What did He want to check?

What did Jesus tell the woman after her daughter felt better?
